FTC Funeral Rule Required Embalming Disclosure

Embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.

Clarification from Return Home

Return Home's Terramation process cannot be performed on embalmed bodies at this time. If you are sure that the body will be embalmed, you will need to utilize an alternative method of final disposition.
